WHAT WE DO: PRACTICE AREAS

Enebeli & Partners Legal, we deliver integrated legal solutions across the full spectrum of commercial and dispute resolution practice. Our services are rooted in a deep understanding of Nigeria's regulatory landscape and the commercial realities shaping our clients' industries.

1. Antitrust & Competition Law

We advise clients on compliance with Nigeria's competition regime, covering merger control, restrictive agreements, market dominance, price-fixing, and regulatory investigations. We work with clients to assess commercial conduct and transactions to mitigate risks and ensure regulatory alignment with the FCCPC and other authorities.

2. Banking & Finance

We represent lenders, borrowers, and investors in a wide range of financing transactions, including syndicated lending,

,structured finance, debt restructuring, and asset-backed financing. We also advise on regulatory compliance, prudential guidelines, and fintech-related financial services.

3. Business Restructuring & Insolvency

We provide insolvency advice to distressed companies, creditors, and investors. Our services include debt restructuring, business turnaround strategies, creditor negotiations, insolvency litigation, and compliance with the Companies and Allied Matters Act and related frameworks.

4. Capital Markets

We advise on capital raising through public and private offerings, listing on stock exchanges, securities compliance, and investor relations. We represent issuers, underwriters, brokers, and institutional investors across equity and debt markets.

5. Company Secretarial Services

We deliver full-spectrum corporate secretarial support, including organizing board/shareholder meetings, regulatory filings, governance compliance, statutory record-keeping, and advisory to boards and executive management.

6. Corporate Commercial

We advise businesses across all stages—from formation to exit—on joint ventures, corporate structuring, contract negotiation, franchising, regulatory filings, and corporate reorganizations. We focus on protecting value and ensuring

operational efficiency.

7. Corporate Governance & Compliance

We support boards, C-suite executives, and compliance units in aligning governance practices with global standards and Nigerian corporate governance codes. Our services cover risk mapping, board composition, and internal control design.

8. Dispute Resolution (Litigation & Arbitration)

We represent clients in high-stakes litigation and arbitration across civil, commercial, and regulatory disputes. We focus on strategy, evidence, and advocacy to achieve timely, business-oriented outcomes. Our team has appeared before all superior courts and leading arbitration panels.

9. Intellectual Property & Technology Law

We help clients register, enforce, and commercialize IP rights including trademarks, patents, copyrights, and designs. We also advise on tech licensing, IP due diligence, brand protection, and innovation-driven regulatory compliance.

10. Data Protection & Privacy Law

We advise on NDPA, GDPR, and international data protection frameworks. Our services include data audits, policy drafting, cross-border data transfer compliance, breach response protocols, and regulatory liaison.

11. Labour & Employment

We advise on employment contracts, workplace policies, executive compensation, employee handbooks, severance negotiations, and union relations. We also represent employers in labour disputes and tribunal proceedings.

12. Legislative Watch, Support & Advisory

We monitor and analyse legal and policy reforms relevant to clients' industries. Our team supports stakeholder engagement, advocacy, legislative drafting, and regulatory intelligence services to pre-empt and manage legal changes.

13. Real Estate & Property Law

We provide end-to-end legal support for real estate transactions, land acquisition, title perfection, leases, estate planning, and joint venture structuring. We also advise on

land-use regulations, environmental impact, and property litigation.

14. Regulatory Compliance

We help clients build and maintain internal compliance systems in line with industry-specific regulations. Our work includes license acquisition, periodic reporting, regulatory inspections, and stakeholder management.

15. Taxation

We offer tax structuring advice, transfer pricing services, compliance support, and representation in disputes with tax authorities. Our goal is to help clients reduce tax risks while optimizing fiscal efficiency.

16. Pre & Post Election Litigation

We offer strategic legal representation on electoral disputes and related constitutional and administrative law matters.

17. Environmental Law

We assist companies with environmental due diligence, compliance with NESREA/NESREA Act, EIA reporting, environmental risk assessment, and pollution-related litigation.

18. Insurance

We advise on insurance product structuring, claims handling, coverage analysis, and regulatory compliance with NAICOM

regulations. We also represent clients in insurance litigation and arbitration.

19. Infrastructure, Construction & PPP

We advise on infrastructure project finance, construction law, concession agreements, FIDIC contracts, and PPP frameworks. Our services support sponsors, developers, lenders, and governments from project inception to delivery.

20. FinTech & Digital Assets

We provide regulatory and transactional advisory to fintech startups, digital banks, payment platforms, and crypto operators. Our services include licensing, KYC/AML compliance, token structuring, and investor relations.

21. Sports & Entertainment Law

We represent creatives, athletes, clubs, production houses, and brands in contracts, licensing, sponsorships, media rights, and dispute resolution. We also assist with league regulation and image rights enforcement.

22. Lottery & Gaming

We advise online and land-based gaming operators on licensing, compliance, platform setup, investor structuring, cross-border operations, and stakeholder relations with regulators.

23. Shipping & Maritime Law

We provide transactional and litigation support for marine insurance claims, cargo disputes, charterparty agreements, vessel registration, port operations, and compliance with Nigerian maritime laws and international conventions.
